The History of Economics Society was formally established and held its first official annual meeting in May 1974 at the University of North Carolina at Chapel Hill (after a 1973 exploratory meeting in Chicago). At that time the group was a very small one, but it established as its purposes:

About the Society - The History of Economics Society

The introduction to The Penguin History of Economics raises two issues about the subject which are useful to remember in the subsequent read. The first is that there is no universally accepted definition of the subject and the second is that any contributor to the history of economics will pick and choose which works and writers are important.
