"On the other side of France where the naked ladies dance, they all wear grass to cover up their ass!" "All the girls in France do the hoochy koochy dance, and the way they shake, it would kill a rattlesnake!" Some of these lyrics may have been inspired by the French music hall dancers of the time, who were known for the French cancan.

The use of last names in France, like in much of Europe, didn't become necessary until the 11th century, to differentiate between people with the same first name. It was pretty easy to adopt any last name you wished until 1474, when the king decreed that all last name changes had to go through him.

The French adverbial pronoun *y* is so tiny that you might think its role in a sentence is not very important, but, in fact, quite the opposite is true. This letter is extremely important in French. *Y* refers to a previously mentioned or implied place; it is normally translated as "there" in English.
