Amazon Crossed Matched Book 2

Crossed is the 2nd book in the Matched series and although I still loved it, I didn't find it quite as engrossing as the first book. For the majority of the book, the three main characters were apart and so much of the appeal lies in the dynamic between them. That being said, Ky has much more of a voice in this book than in the last.

Unfortunately loving Crossed is out of the question and I realized this very early on. The book begins right where Matched left off.
