Introduction to Black Studies by Maulana Karenga

There are two basic parts to a black hole: the singularity and the event horizon. The event horizon is the "point of no return" around the black hole. It is not a physical surface, but a sphere surrounding the black hole that marks where the escape velocity is equal to the speed of light. Its radius is the Schwarzschild radius mentioned earlier.

The introduction to a research paper can be the most challenging part of the paper to write. The length of the introduction will vary depending on the type of research paper you are writing. An introduction should announce your topic, provide context and a rationale for your work, before stating your research questions and hypothesis.

How to Write a Research Introduction: 10 Steps (with Pictures)

Candide, satirical novel published in 1759 that is the best-known work by Voltaire. It is a savage denunciation of metaphysical optimism—as espoused by the German philosopher Gottfried Wilhelm Leibniz—that reveals a world of horrors and folly. Voltaire’s Candide was influenced by various atrocities of the mid-18th century, most notably the devastating Lisbon earthquake of 1755, the ...
