As far as cheaper lift go, Kleemann's are quite good (though i think Orona's are slightly better). This one takes a bit too long to level. This is another lift that I filmed during my 2014 visit.

Kleemann MRL Lift | Wilko | Bromley High Street

Kleemann is a Greek multinational elevator company founded in

1983. Based on the know-how and license of KLEEMANN HUBTECHNIK GmbH, nowadays it operates both in the manufacturing and the trading of elevators, mostly for third-party elevator installation and maintenance companies (similar practice to Spanish Orona). The head office is based in Kilkis, Northern Greece, with offices and ...
