Cefalu William T Cannon Christopher P - AbeBooks

Half-and-Half Nails. Half-and-half nails, also known as Lindsay's nails, were first described by William B. Bean, MD, in 1963 in two patients with kidney disease. 1 The term half-and-half nail was coined by Philip G. Lindsay, MD, in 1967, and the condition now bears his name. 2 Half-and-half nails are characterized by a proximal white, ground-glass-looking nail plate and a distal pink, red ...
