fantastic.’ – Chris Packham, Metro ‘The Collins Bird Guide app is destined to become a real triumph, the ultimate in field guide apps — and deservedly so.’

### **Collins Bird Guide on the App Store**

The Paul Sterry Complete Guide To British Birds is exactly what I wanted for the field and the Collins Bird Guide is great for a more in depth study or identification. I am a reasonably competent birder who is working toward ticking off a list of species from a pocket book I bought in 1989 and these books will assist me greatly now that I have reached a point of having to actively find the less common species.

We're currently nearing the third anniversary of Collins Bird Guide 's debut as a smartphone application, when it re-lived the instant success of its first print run in 1999. It has been a fundamental part of the Apple birder's artillery ever since, but the developer's nightmare that is cross-platform coding has left Android users empty-handed.
