No replacement given if rust, dirt, etc. is found in the carburetor or if it has been taken apart. * This new carburetor is for use with Continental Z120 and Continental Z129 engines*...

Continental Z120 - Steiner Tractor Parts

However the engine is a Continental Z129 instead of the Z120. I have three questions because of this. 1. Did Ferguson finish out the 20's series with Z129 engines, or do you think this motor was swapped later? 2. The HP should be more like 29, like a TO30, rather than 24 because of this larger engine, RIGHT? 3.

Continental 129 (Z129), 134 (Z134), 145 (Z145) Intake Valve

I believe the Z120 as well as the later series Z engines were used in other applications. Yes, I believe overheating was a major factor in these blocks cracking. Improvements were made in the cooling systems of later versions of the Z series engines, the Z129, Z134 and Z145. These changes may have reduced cracking but it still remained a problem.

Z120 Engine Specifically for the TO-20? - Ferguson ...

Continental Motors Company was an American manufacturer of internal combustion engines.The company produced engines as a supplier to many independent manufacturers of automobiles, tractors, trucks, and stationary equipment (such as pumps, generators, and industrial machinery drives) from the 1900s through the 1960s.Continental Motors also produced automobiles in 1932-1933 under the name ...
