The enslavement of African Americans during the 18th and 19th centuries in the United States is a form of deculturalization. Slavery in the United States made the African Americans dependent on their owners allowing for the owners to exploit them. The owners removed their African names, did not allow them to read, and did not allow them to practice their culture and language.

Deculturalization - Wikipedia

Segregation in education. Minorities. Joel Spring's history of school polices imposed on dominated groups in the United States examines the concept of deculturalization-the use of schools to strip away family languages and cultures and replace them with those of the dominant group. The focus is on the education of dominated groups forced to become citizens in territories conquered by the U.S., including Native Americans, Enslaved Africans, Chinese, Mexicans, Puerto Ricans, and

Deculturalization and the Struggle for Equality eBook por ...

The list of minorities in the United States who have long struggled for integration within the public school system goes on; Asian Americans, Latino-Americans, and others have fought this battle for equality. It may seem that once full integration of the public school system has been achieved, the battle for equality has been won.
