Ufos: Reframing the Debate is a collection of original essays exploring alternative perspectives on UFOs and how we might more usefully study the phenomenon in the 21st Century. The book brings together some of the most progressive and iconoclastic thinkers in the field for an incisive deconstruction of current popular ideas.

Ufos Reframing the Debate - Scene-Rls

UFO study has always suffered from major organizational and methodological problems. It has also become dangerously self-referential. If ever we are to further our understanding of the UFO enigma, we must fundamentally reframe our debate. We must wipe the board clean and fill it with new ideas, new theories, even new language.
