A scholarly argument for engaging with writers from the past as a life-affirming and consciousness-building practice. In our frenetically paced society, we are continually distracted and influenced by a surplus of information, which can lead to the loss of the capacity to process thoughts beyond the context of the present moment.

Engaging with the Dead - Jennie Bradbury, Chris Scarre ...

Absolutely painful to look at. Dead Or Alive: Final is a really fun low budget film that fell victim to a horrible formatting decision. Shot on standard definition digital video in the early 2000s, this movie just looks like pure garbage. It's painful to look at from a video quality perspective and has aged poorly.
