Ethical Choices An Introduction to Moral Philosophy with ...

Ethics refers to a band of values that guides people on the way in which they should go about in making various choices. There is no single individual with strong personality who goes about minus a code of morals. An ethical choice involves one doing more than he or she has to do. It is choosing to do what one has to do.

"Why be moral" is one question at the heart of Scott Rae's bestselling introduction to ethics, *Moral Choices*, now in its Fourth Edition. Rae writes in the book's introduction: Since the moral life and moral decision-making are the focal points of this book, you can see that I am assuming being moral matters, and significantly.
