Europes Area Of Freedom Security

The area of freedom, security and justice is a collection of home affairs and justice policies designed to ensure security, rights and free movement within the European Union. Areas covered include the harmonisation of private international law, extradition arrangements between member states, policies on internal and external border controls, common travel visa, immigration and asylum policies and police and judicial cooperation. As internal borders have been removed within the EU, cross-border

Area of freedom, security and justice - Wikipedia

The Lisbon Treaty attaches great importance to the creation of an area of freedom, security and justice. It introduced several important new features: a more efficient and democratic decision-making procedure that comes in response to the abolition of the old pillar structure; increased powers for the Court of Justice of the EU; and a new role for national parliaments.
