It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

Fire And Fear The Inside

Fire and Fear is not that. I watched the movie on Mike Tyson that was based on this book - the movie was more exciting than this book, and I watched it many years ago. This book for me was a page pauser, not a page turner. That is I read it, then left it for a while, and because I recently had some time I forced myself to finish it.

Fire and Fury: Inside the Trump White House by Michael Wolff is like being a fly on the wall in the White House. Sure, some of this info was on the news but this is more personal. This gets right in there to the people that work with the Grabber-in-Chief. What they think of him, how they work together, or not.

Fire and Fury: Inside the Trump White House by Michael Wolff

and went to great effort to help shed light on the unique nature of life inside the Trump White House. In the end, what I witnessed, and what this book is about, is a group of people who have struggled, each in their own way, to come to terms with the meaning of working for Donald Trump. I owe them an enormous debt.
