### Ophelia in Hamlet by William Shakespeare | The British ...

If Hamlet had not delayed his revenge there would have been no play. Many explanations of the delay have been offered in the last four centuries. None is convincing. The interpretation which best fits the evidence best is that Hamlet was suffering from an acute depressive illness, with some obsessional features. He could not make a firm resolve to act. In Shakespeare's time there was no ...

In the cosmic struggle between good and evil, Shakespeare presents the relentless conflict between two philosophies that shape the human condition. The philosophy of Claudius, the usurping tyrant who secretly poisoned his brother King Hamlet and married his wife Queen Gertrude, assumes that might is right, man is a god, and the end justifies the means.
