According to the transit agency, 1,044 students are riding buses, taking as many cars out of parking lots. But for those commuting from a little farther out, it pays to know the tricks.

### Despite new spots, LCC parking problems persist | Local ...

Most Allan Block gravity walls (lower unreinforced walls) will drain adequately on their own. If a large area sheds water to the wall (i.e., parking lot), added drainage will be necessary. Concentrated sources of water must be planned for and managed. Reinforced walls will need added drainage for the backfill zone and the wall base.
