## **Growth A Biblical**

David Suzuki, the Canadian environmentalist, even states that the world needs a "die-off of Biblical proportions" (except him, of course). No, what Christians in particular need, is to think about population biblically. Calvin Beisner does just that. His biblical conclusion is that population growth is a blessing and not a

antidote for both the doomsayers who would wreck the economy and the tree-huggers who would have us worship the earth. In Beisner's view, the most fundamental problem is theological: "Theology, in all its departments, supplies the guiding principles by which to answer all the pragmatic problems of political economy."
