I need the master to read the status of C60 through C65 from the slave, put their information in C60 through C65 respectively in the master, then take the status of C67 through C80 on the master and send it to C67 through C80, respectively on the slave. That's all. It seems like a simple request, but I can't make it happen.

The Kingdom of Zanaris is Gielinor's moon. It is a strange plane, rumoured to be the nexus of all planes.[1] It is inhabited by small winged creatures known as fairies, and according to the Guthixian Memories, it was in Zanaris where Guthix saw Gielinor for the first time. The normal laws of physics and logic do not apply on Zanaris; for instance, animals can be spoken to without the need of ...
