By the early 1990s I pretty much assumed reel-to-reel recorders were consigned to the audiophile dust bin of history. All the major manufacturers had dropped by the early 90s, names like Teac, Sony, Revox, Akai and Panasonic were exploring other audio recording technologies like DAT (Digital Audio Tape), and consumers were enamored with CD's (introduced in 1982) and reel-to-reel machines ...

What a blessed relief is laughter. It flies in the face of manners, values, political correctness and decorum. It exposes us for what we are, the only animal with a sense of humor. "There's Something About Mary" is an unalloyed exercise in bad taste, and contains five or six explosively funny sequences. OK, five explosive, one moderate. I love it when a movie takes control, sweeps away my ...
