The Encyclopedia of Superheroes - Wikipedia

When I first came across this encyclopedia years ago I thought that it was one of the greatest research books that you could find on the subject of super heroes. And there has been nothing in the ensuing years to change my opinion. This book covers more than just the obvious comic book heroes like Superman, Captain America, Batman and Captain Marvel. It also includes the biblical hero Samson and ...

This encyclopedia of superheroes is more of a museum, an evolving archive to be casually browsed, than it is a structured textbook. There are literally too many superheroes to count -and our definition doesn't even include Samson, Gilgamesh, etc. We have, however, managed to get a good handle on enough sources to keep you occupied for so long that you'll never get around to writing that complaint letter about our use of the term "encyclopedic".
