## **Wikipedia**

The Jubilee Line Extension was one of the UK's biggest construction projects and the largest addition to the London Underground in more than 25 years. But it was severely behind schedule. Problems with tunneling and signaling had plagued the project and inspections were also behind schedule.

## Extension By Ken **station - Wikipedia**

The Docklands Light Railway (DLR) has big plans for an extension in south east London and beyond. Transport for London (TfL) has recent shared plans for the line to extend to Thamesmead and beyond, which would completely change the London Underground map.. Compared with the rest of London, the Thamesmead area is quite poorly connected.
