If Yamaha had launched the MT-01 first as a cartoon version of a super-sized Ducati Monster they'd have sold many more, because the MT was a great bike to ride and came just about at the right time as sports bikes were starting to lose their crown. And, if they'd then launched a cruiser with the marketing message 'Hey motorcycling, we ...

The MT-01 is an unusual machine, and that's a big part of the appeal. Build-quality was very high, as the bike was a flagship model for Yamaha, although they haven't really retained their value in their original markets, as the bike never really seemed to find the right audience. What's one worth here in the USA?

As a lump of metal motorcycling sculpture the Mt-01 is magnificent, from its glorious, art deco-inspired console to high-mounted twin pipes. What's more, everywhere you look there are only the best of components, such as radially-mounted brakes. As a riding proposition, however, the bold Yamaha is less convincing.
