Refugees | USCIS And Dorothy Frances Buxton

Refugees are generally people outside of their country who are unable or unwilling to return home because they fear serious harm. For a legal definition of refugee, see section 101(a)(42) of the Immigration and Nationality Act (INA). You may seek a referral for refugee status only from outside of the United States.

The world's refugees in numbers | Amnesty International

Refugee Refugees are persons who are outside their country of origin for reasons of feared persecution, conflict, generalized violence, or other circumstances that have seriously disturbed public order and, as a result, require international protection. The refugee definition can be found in the 1951 Convention and regional refugee instruments, as well as UNHCR's Statute.

Definitions | Refugees and Migrants

Uganda is one of the largest refugee-hosting nations in the world, with over 1,400,000 refugees (as of February 2020). The vast influx of refugees is due to several factors in Uganda's
